

GARDEN with the Friends of Sausal Creek

at the Joaquin Miller Native Plant Nursery

- Learn to propagate native plants from seeds and cuttings
- Help with construction and irrigation projects
- Harvest native plant seeds on seed hikes
- Adopt a native garden patch to weed and plant
- All ages welcome—no experience needed!

Our nursery is located east of Highway 13 in Joaquin Miller Park, near the Joaquin Miller Community Center.

We grow plants for watershed restoration projects, school native plant projects, Oakland parks, and similar uses.

UPCOMING SATURDAY WORK DAYS: JULY 24 & AUGUST 7, 21, & 28, 9:00 A.M. - 1:00 P.M.

For more information visit www.sausalcreek.org/volunteer/nursery.html, call (510) 325-9006, or email nursery@sausalcreek.org.

Don't miss our annual native plant sale on October 24th!
